Sennybridge Training Area

## Welcome to Sennybridge Training Area.

We are pleased that the army allows the training area to be utilised for rallying; however, as I am sure you appreciate the primary function of the area is to provide a realistic training facility to our armed services. To assist in this task **AND FOR YOUR OWN PERSONAL SAFETY**, please read and observe the following guidelines:

1. Do **not** leave the tarmac roads in the training area.
2. **Only** park in designated car parking areas for the event.
3. Do **not** drive through any barriers left in the down position, whether locked or not, they are there for your own and others' safety.
4. Do **not** interfere with or get involved in, any military training whatsoever.
5. Do **not** enter or interfere with any of the Training Area buildings, installations or equipment.
6. Do **not** pick up or touch any military equipment or debris. **IT MAY EXPLODE AND KILL YOU!**
7. Do **not** leave any litter, please take it home.
8. Do **not** light fires. Even in the winter, the undergrowth on the Training Area can be dry enough to present a significant fire hazard.
9. **Observe** the speed limits set for the roads on the Training Area, they present a challenge to experienced rally drivers and could well prove fatal to you if driven without due care.
10. The Training Area also contains significant agricultural, forestry and nature conservation interests. Please follow the Countryside Code at all times.
11. In the event of any emergency, please contact an official of the rally or Range Staff or use one of the clearly marked Range Emergency Telephones (free of charge), which will provide you with a direct line to Sennybridge Camp Guardroom, who can summon help on your behalf.

We do not wish to labour the above points, but they are important and failure to observe them may jeopardise future rallying on the Sennybridge Ranges.

We hope you enjoy your days Motorsport on the training area.
