FOREWORD

Welcome to the 2024 Dixies Challenge Rally

Welcome to the Dixies Challenge Rally co- promoted by Forresters Car Club and Forest of Dean Motor Club.

For 2024 we welcome competitors from the WAMC King of Epynt Challenge 2024 supported by Marsh Sport, the ASWMC DL Motorsport Parts Ltd Stage Rally Championship, the AWMCC Heart of England Rally Championship 2024, the West Wales Rally Spares HRCR Stage Masters Challenge, the HRCR Mini Cup, the HRCR Cat 1 Cup and the TCS Plant Rally Challenge.

In an effort to keep costs down, Forresters Car Club & Forest of Dean Motor Club are offering a 'no frills' rally. The rally competition this year will be based entirely on the Epynt Military Ranges. In an effort to support competitors with route note planning, copies of Final Instructions and the event Road Book will be emailed to the address stated on the entry form in the week before the event. Hard copies of the Road Book will be in packs for competitors at signing on.

The rally will consist of a number of stages, with a central service halt at 'J Range' on the Epynt Ranges. Awards will be presented within the service area at the end of the event. Scrutineering is on Saturday afternoon, with very limited scrutineering taking place on the Sunday morning by special appointment.

As with all forms of sport today, events cannot be organised without assistance from sponsors and we are delighted to welcome PitStop Garage, Pengam as title sponsor for 2024. Our thanks go to Neil Jones and his team for the support.

As with last year's event, the event plans to be carbon neutral, with carbon offsetting undertaken to offset the carbon footprint of all competitors, marshals, officials and service crew.

We hope that you will be able to take part in this event, which not only has a new, yet experienced organising team, but also superb stages over the testing Epynt Military Ranges.

We look forward to receiving your entry early, as in previous years the entries list for the Dixies Challenge Rally usually fills up quickly. Consequently entries will be at a premium for what we, the organising team, feel will not be just another rally, but a rally for everyone, with a compact route and last but not least, that vital ingredient fun!

SUPPLEMENTARY REGULATIONS

1. ANNOUNCEMENT

- 1.1. Forresters Car Club Limited will organise an Interclub Stage Rally on Sunday 5th May 2024, co-organised by Forest of Dean Motor Club and shall be known as the Dixies Challenge Rally.

12. IDENTIFICATION

- 12.1. Competitors will be identified by 23cm high black (*marked B below*) competition numbers as defined in the Motorsport UK Yearbook (J)4.1 - 4.1.1. These numbers must be displayed on the two front doors of the competing vehicle in defined white door squares.
- 12.2. Competitors must make available to the organisers an area approximately 450mm x 130mm for a rally plate/sponsors decals (*marked A below*) on each side of the vehicle, above the competition number. With the permission of the Clerk of the Course, these decals can be placed adjacent to the competition numbers.
- 12.3. In the interest of safety, additional high visibility side window numbers (*marked C below*) will be issued to competitors by the organisers. These numbers must be positioned in the top front corner of the rear side windows.
- 12.4. New for 2024, in the bottom of the rear screen (or equivalent space on two-seater cars) the competition number shall be displayed black numbers on a 18cm x 18cm white background. This number must be visible from the rear of the vehicle at eye level but must not impede the rear view via the rear view mirror.
- 12.5. These numbers along with sponsors/rally decals will be supplied by the organisers at Noise and must be in place before the car is presented for scrutineering.

13. IN-CAR CAMERAS

- 13.1. The use of in-car cameras is permitted.
- 13.2. Cameras must be fitted before scrutineering.
- 13.3. All recorded images must be made available to the organisers, Motorsport UK and MOD upon request.

14. ROUTE

- 14.1. The route has been split into Legs, each leg will contain two Special Stages and Road Sections. At the end of each leg will be a Main Time Control as you re-enter the service area.
- 14.2. Special Stages
- 14.2.1. Competitors will be supplied with a Road Book, Route Map and the initial SS1 time card. These documents will provide competitors with the necessary information to enable them to complete the event. These documents will provide competitors with the necessary information to enable them to comply with (R) 2.3.2.
- 14.2.2. Subjective Route Notes for the Dixies Challenge Rally are permitted (R25.9) and will be available from On The Pace Note at www.onthepacenote.co.uk. The organisers strongly advise the use of the route notes supplied by On The Pace Note - they are the only Route Note supplier who are producing official route notes for this event, and are the only route note supplier to receive details of the routes and visit the ranges to capture any changes on the roads following any other events on Epynt. Competitors are advised that the organisers accept no liability or responsibility for the use of the Subjective Route notes. If competitors wish to use route notes from any other source - be it their own notes, from other suppliers or previous events, then they can do so, but entirely at their own risk.
- 14.2.3. The Road Book with maps of the stages will be available prior to the event.
- 14.3. Controls and Checks
- 14.3.1. All controls and checks must be visited in the order specified on the Time Cards.
- 14.3.2. The type of controls and checks employed are described below:
- Main Time Control (MTC)** – These controls will be situated at each end of the competitive legs. Competitors will leave MTC Out at 2 per minute. At the MTC In, competitors will be provided with their next MTC Out Due Time.
- Special Stage Arrival Control (ATC)** - At this Time Control the marshal will enter the competitor's time of arrival (in accordance with (R)30.2) and the provisional starting time for the special stage which must be a minimum of 3 minutes after the arrival time in order to allow the crew to prepare for the stage. The area between the Special Stage Arrival Control and the Stage Start is Parc Ferme. At the Special Stage start the marshal will enter the actual start time which will normally correspond with the provisional start time.
- Special Stage Start Control (STC)** – At an STC competitors will be given an actual start time in Hours, Minutes and Seconds (in theory the same time as provisionally issued by the arrival control). When a competitor has booked into an ATC, a start marshal will assume that they are ready to start the stage and will issue a start time as soon as the start line is cleared, whether the competitor is ready to start or not. The marshal will either manually or electronically (LED Lights) inform the competitor at 15 secs, 10 secs, 5, 4, 3, 2, 1, GO. The LED light sequence is as follows: with 15 seconds to go the red light comes on, with 10 seconds to go, red light stays on and 5 amber lights come on. With 5 seconds to go red light goes out. From 5 seconds to zero the amber lights count down the last 5 seconds. At zero the green light comes on to signal the start.
- Special Stage Finish Control (FTC)** – At the FTC, a competitor will receive their special stage finish time [time crossing the flying finish line] in Hours, Minutes & Secs. This time, less seconds, will be their start time for the next link section. Any competitor

that fails to stop at the stop line must not, under pain of exclusion, reverse to the control, they MUST return on foot.

- 14.4. (R)30.3.3 applies and therefore you may check in in advance of your due time to the final Main Time Control. Competitors will have their due time entered onto the time card if they arrive early.
- 14.5. Re-joining the Rally
- 14.5.1. Competitors who retire, may re-join the rally (R) 40.1.6 - 40.1.7) from Stages 3, 5, 7 or 9. It is the competitors' responsibility to ask the Clerk of the Course for permission to re-join and obtain a re-start time.
- 14.5.2. Those competitors who retire through an accident and wish to re-join the rally must present their car to the Chief Scrutineer, Paul Loveridge, tel:07831 656472 for re-scrutineering, outside the signing on building.
- 14.5.3. Competitors who re-join the rally having missed a Special Stage will have the stage maximum plus 15 minutes per special stage missed added to their overall time.
- 14.5.4. Competitors who have been disqualified from the main event as a result of disciplinary procedures will not be eligible to re-join the event.

15. INSURANCE

The Organisers have applied to reis for a Blanket Cover Note. This will provide competitors who need to use the scheme with the Third Party Cover necessary to meet RTA requirements on the Road Sections of the event.

All applicants wishing to use the scheme must be able to comply with all points of the REIS Motorsport Declaration as set out below.

Vehicles must have a valid motor insurance policy which provides as a minimum, Third Party Liability cover that complies with the Road Traffic Act. This can be either, by extending an existing motor policy to cover the event, or, by purchasing additional cover, providing under the Event Road Section Scheme as an adjunct to an existing motor policy. If a competitor has an extension to their existing policy, they will be required to sign a declaration that the cover complies with the requirements of the Road Traffic Act. Any responsibility for a fraudulent or misleading declaration about existing cover lies with the competitor.

If a competitor wishes to purchase additional Road Section cover via the organisers then they can do so prior to the event providing they comply with the following:

- is aged 19 years or older
- has held a full driving licence for a minimum of 6 months
- has no more than 6 points on their licence
- has had no more than 1 fault claim in the last 3 years
- is a named driver on a valid motor insurance policy for the vehicle they are driving
- do not have the Third-Party Extension cover on their existing motor policy
- the vehicle has a valid MOT and taxed for the road, unless exempt from doing so

Anyone aged less than 19 years old will also be accepted at the same price should their co-driver be a more senior member of their family or over 25. Any competitor who falls outside these parameters may be offered cover at equivalent terms or an agreed price, if approval from the Appointed Insurance Broker has been obtained by the event organisers, prior to the event. Approval can be sought by Event Organisers

sending an email to the contact@reis.co.uk and provide the Drivers' name and date of birth, the date they passed their driving test and full details of any motoring claims and/or convictions.

Additional cover provided by this scheme is only effective whilst the vehicle is actively competing in the event and remains under the control or direction of the event organiser(s). Cover will cease immediately if you are precluded, excluded or retire from the event.

The Event Road Section scheme is underwritten by First Underwriting Limited.

16. TIMING & PENALTIES

- 16.1. The Event will use Target Timing. An official clock will be on display at the start.
- 16.2. All controls will be time controls (TC).
- 16.3. Timing on special stages will be to an accuracy of 1 second.
- 16.4. Each road section will be allotted a target time based upon a maximum of 28 MPH average speed and a competitor can calculate his / her due time of arrival at the next TC by adding the target time to his / her actual time of departure from the preceding TC.
- 16.5. Should any time not be legible or appear not to be authentic, on a competitor's time card, the organisers may use any means available to them to establish a time. It is the competitor's responsibility to ensure that their times are recorded correctly and handed in when required.
- 16.6. Once a competitor has accepted a time no further claims will be considered without an official query form. Any correction or amendment to the time card without approval by the timekeeper will result in disqualification.
- 16.7. When accumulated lateness between any two consecutive main controls exceeds TEN minutes, a competitor will be excluded from the event before the next MTC (out). There will be no exceptions other than (R)32.2.
- 16.8. Penalty free lateness is FIVE minutes.
- 16.9. Excessive lateness taken over target on road sections and special stages is cumulative and, once lost, cannot be regained.
- 16.10. Penalties will be as detailed in (R)32.2 of the Motorsport UK General Regulations (appendix 1, chart 32.2), except as modified below:
 - a) Not completing or missing a stage – 15 minutes plus maximum per stage
 - r) - Disqualification
(G)5.3.3 - Disqualification
(R)24.7.9 – Disqualification
- 16.11. Any breach of the rules concerning abuse of officials, entry to the venue or climbing on buildings will result in disqualification.
- 16.12. As per the letter received by the Organisers, the entire venue is no-smoking. Any person (Competitors and Service Crew) seen to be smoking or vaping within the Training Area by an event official will incur the following penalty:
 - a) First offence: Verbal Warning and reported to Clerk of Course
 - b) Second offence: Reported to Clerk of Course and Disqualification

17. SERVICING & REST HALTS

- 17.1. Service will only be allowed in the designated area at designated times.
- 17.2. No management cars are allowed. Any crew seen to be utilising a management car will be disqualified.
- 17.3. The Event Service Area will be at the J-Range on a flat, sealed surface.
- 17.4. Only one service vehicle in addition to the competing vehicle will be permitted to enter the service area via passes issued within the final instructions. The maximum number of attendees in addition to the crew is 4.
- 17.5. All trailers must be left in the Trailer Park, and all other vehicles at Dixies Corner. Note, there is no pedestrian access between the Trailer Park and the Service Area.
- 17.6. Vehicle entry passes will be issued with Final Instructions.
- 17.7. The use of Motor Homes, trailers and service vehicles larger than a long wheelbase van must be discussed with the Entries Secretary.
- 17.8. Competitors must supply an environmental ground sheet, which must be placed under the competing vehicle during any service activities including refuelling to protect the surface from spillage.
- 17.9. The Organisers have designated the whole Service Area as a refuelling area. No one must be within the vehicle and the engine must be stopped throughout the refuelling operation. Breach of this rule carries the penalty of disqualification.
- 17.10. No dogs are allowed, with the exception of guide dogs.
- 17.11. All competitors are responsible for the collection and removal of all rubbish, please use the rubbish bags provided in your packs.
- 17.12. The 'bedding in of brakes' and the 'warming of tyres' within the confines of the service area is prohibited. First offence verbal warning from an official and reported to the Clerk of the Course. Second offence carries the penalty of disqualification for the offending competitor.
- 17.13. Competitors are responsible for the actions of their service crew. Service crew seen to be bringing the sport into disrepute will result in the immediate disqualification of the Competing Car.
- 17.14. The use of Motorcycles, Mopeds, Bicycles and Scooters is not permitted in the Service Area.
- 17.15. Camping is prohibited on the ranges.
- 17.16. Vehicles cannot be left in the service area the night before the event and no competitor (or their service crew) should be on the military range (apart from the purpose of attending scrutineering) on 04/05/2024 until 05:00 on 05/05/2024.
- 17.17. Competitors are reminded that from 1st January 2024 Motorsport UK Yearbook (R)48.5.11 regarding the maximum number of tyres permitted on the event becomes mandatory. The maximum number of tyres permitted for this event will be 12. Details of how this will be managed on the event will be included in the final instructions.

18. RESULTS & DAMAGE DECLARATION

22. CARBON OFFSETTING

- 22.1. Forresters Car Club and Forest of Dean Motor Club are committed to sustainability and carbon footprint recovery.
- 22.2. Using a number of assumptions, we have calculated the carbon footprint of the event which takes into account travel to the event of competitors, marshals, officials and service crew members.
- 22.3. An amount of £5 per entry has been included within the entry fee, and will be used to offset the event's footprint by funding a carbon dioxide saving using reputable carbon offsetting organisations.

23. TRACKING

- 23.1. In association with Sporttrax and Onthepacenote.com, the rally will operate a GPRS/GPS safety tracking system that will enable the speed and position of each competing car to be monitored and logged. Before the start, all cars will be fitted with a tracking device that will remain active throughout the event. This must be retained in the car until the finish, where it will be removed by the system providers. If a competitor retires during the event, the device must be returned with the damage declaration form.
- 23.2. Failure to return the equipment will result in the driver being invoiced for its replacement.
- 23.3. Sporttrax can be contacted on the event through Ellie Rogers at 07833 229213.
- 23.4. Fitting instructions have been posted to the event noticeboard.
